

FFUE2024AW

20.0 Cu. Ft. Upright Freezer

This Frigidaire 20 cubic foot upright freezer includes a superior tight seal that locks in cold air, keeping food frozen for two days if there is a power outage, and the EvenTemp™ Cooling System, with a variable speed compressor that constantly circulates cold air throughout the freezer with smart sensing technology that adjusts air flow to maintain a uniform temperature. The flexible interior organization system enables you to easily organize your family's frozen favorites with four adjustable, full-width glass shelves, deep bottom basket, and five spacious door bins.

Available Colors: Carbon, White

Version: 12/22

Consumer Benefits

Power Outage Assurance

Keep food frozen for two days if there is a power outage with our superior tight seal that locks in cold air.

EvenTemp™ Cooling System

Our EvenTemp™ cooling system's variable speed compressor constantly circulates cold air throughout the freezer with smart sensing technology that adjusts air flow to maintain a uniform temperature.

Flexible Interior Organization System

Easily organize your family's frozen favorites with our four adjustable, full-width glass shelves, deep bottom basket, and five spacious door bins that allow you to make the most of every available square inch of your freezer.

ENERGY STAR® Most Efficient

Recognized as Most Efficient 20 cu. ft. Upright Freezer by Energy Star 2022.

Door Ajar and High Temp Alarm

Monitor the ideal environment for your frozen foods with our audible temperature alarm that alerts you if the door is left open or the freezer's temperature rises.

Auto-Close Doors

Avoid spoiled food and soupy ice cream with our auto-close doors, which ensure your doors are never left slightly open by automatically closing once the door is ajar 5" or less.
