support

WHERE YOU NEED IT MOST

Did you know that 50% of your body weight rests in the middle of your mattress while you sleep?

Our exclusive technique reinforces the centre third of the mattress to provide extra support for your back and core.

Only Sealy® has Posturepedic® support for your back and core. It's targeted to the individual areas of your body that need it most so your body stays level while you sleep.

Built to deliver middle-of-the-mattress support and pressure relief—for truly best-of-the-best sleep.

TEDDI SOFT

POSTUREPEDIC® PLUS COPPER SERIES

CopperSupport™ **Pocket coils**

Triple-tempered copper plated coils ensure your mattress maintains its shape and support for years, giving you the perfect night's sleep, night after night.

SolidEdge™ HD

A reinforced foam border surrounds the coil perimeter to increase the sleeping surface and provide a solid seating edge.

PROBACK® Quilt with **Targeted GelBoost™ HD** **Memory Foam**

Enhanced gel infused memory foam designed to fit the curves of your body, offering durable and personalized support and comfort.
